# Ambassador End of School Year Challenge 2023

Let's Get the Word Out!

**01**

Share the information that you learned about AP, BigFuture, or the SAT Suite within your school. It can be with students, parents, faculty, etc.

**02**

Deliver one (or more) of the program presentations from training with a community outside of your school.

**Challenge goal:**

- To positively impact your school community by sharing what you have learned with your stakeholders.
- To increase counselor awareness beyond your school so that they can in turn empower their school communities.
- To share what you have learned with communities that can benefit from your training.
