

2018-19

Counselor Webinar Series

ONLINE PROFESSIONAL LEARNING:
LIVE AND ON-DEMAND WEBINARS, AND PODCAST

2018-19 Counselor Webinar Series

The College Board strives to give school counselors up-to-date, robust, and easily accessible training and resources to support and advance the work you do to get your students ready for college and beyond. This academic year we'll continue to offer our month-to-month live and on-demand webinar series that brings experts to a screen near you. Our series includes our partnership webinars, going back to the basics with College Board programs, and integrating digital tools in your school counseling program. Because we know how busy you are, we're offering podcasts you can enjoy while you multitask.

Register and see new topics as they're added at collegeboard.org/online-learning.

Live Webinars

College Board Updates

Get critical updates on College Board programs, such as the Advanced Placement Program® (AP®) and the SAT® Suite of Assessments for the 2018-19 school year. The updates are identical in content.

PRO TIP

Take advantage of the new webinar feature called **In the Meeting Room**. You'll have a chance to view the webinars in a group, watch them on the big screen if you prefer, and interact as you would as an individual participant.

You can answer questions, respond to polls, access the post evaluation, and earn continuing education units. As you plan your professional learning communities and schedule your professional development activities, select **In the Meeting Room** option when prompted during registration or as you join the event to network with colleagues.

On-Demand Webinars

Tools of the Trade
