## The SAT

The SAT<sup>®</sup> is a globally available test accepted by all U.S. and many international colleges and universities. It is offered at least seven times a year in the United States and U.S. territories, and up to six times a year internationally. Visit [sat.org](http://sat.org) to learn more.

## SAT Subject Tests

The SAT Subject Tests<sup>™</sup> are hour-long, content-based tests that let students distinguish themselves in the college admission process by highlighting their strengths and interests in specific subject areas, including math, science, history, literature, and languages. For more information, visit [satsubjecttests.org](http://satsubjecttests.org).

## Practice

College Board and Khan Academy<sup>®</sup> have partnered to offer free, personalized practice for the SAT Suite of Assessments. # PSAT/NMSQT®, PSAT™ 10, and PSAT™ 8/9

## The PSAT/NMSQT and PSAT 10

The PSAT/NMSQT® and PSAT™ 10 are the same test, offered at different times of year. Part of the SAT Suite of Assessments and tightly aligned with the SAT, they serve as check-ins on student progress and pinpoint areas for development.

The PSAT/NMSQT is offered to 10th- and 11th-graders in the fall. Instead of delivering the PSAT/NMSQT to 10th-graders in the fall, some schools may deliver the PSAT 10 in the spring.

Both tests will support all students with a clear focus on the skills and knowledge that matter most for college and career success.

## The PSAT 8/9

The PSAT™ 8/9 is the first test in the SAT Suite of Assessments. Using the same specifications as the SAT, the PSAT/NMSQT, and the PSAT 10, it establishes a baseline for college and career readiness as students enter high school. The PSAT 8/9 is designed for eighth- and ninth-graders.

## Practice for PSAT/NMSQT and PSAT 10

To get ready for the PSAT/NMSQT or PSAT 10, students can visit [collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice](http://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice) for a full practice test and sample questions. There's also a full practice test in the *PSAT/NMSQT Student Guide*.

Because the PSAT/NMSQT and PSAT 10 follow the same assessment design principles as the SAT, students can also use Khan Academy's free personalized SAT practice resources at [satpractice.org](http://satpractice.org) to get ready for the tests.

## Access to Opportunity™

Access to Opportunity™ is a set of targeted initiatives designed to identify and break down barriers that prevent students — particularly lower-income, first-generation, rural, African American, Latino, and Native American students — from taking challenging course work and applying to, enrolling in, and succeeding in colleges that are the best academic, social, and financial fit.

[professionals.collegeboard.com/access-to-opportunity](http://professionals.collegeboard.com/access-to-opportunity)

## 4 or More™

4 or More™ provides resources to mobilize school counselors and help them deliver opportunity to all college-ready students — especially lower-income and minority students — by ensuring that they apply to four or more colleges that meet their academic ability and fit them best.

# Services for Students with Disabilities (SSD)

The College Board is committed to providing accommodations — such as large print, Braille, or extended time — to students with disabilities. All testing accommodations must be approved by the College Board SSD office prior to the test. Schools can use SSD Online to request, manage, and track accommodation requests. For information on how to access SSD Online, go to [collegeboard.org/ssdonline](http://collegeboard.org/ssdonline).

The accommodation approval process takes **approximately seven weeks**. To ensure enough time to process your students' requests, accommodation requests should be submitted as early as possible. A full calendar of deadlines can be found at [collegeboard.org/ssd-calendar](http://collegeboard.org/ssd-calendar). If your school is participating in an SAT or PSAT/NMSQT school day, please refer to the information provided by your State Department of Education for specific details regarding documentation deadlines.
